Purpose of form. Form 8821 authorizes any individual, corporation, firm, organization, or partnership you designate to inspect and/or receive your confidential information in any office of the IRS for the type of tax and the years or periods you list on this form. You may file your own tax information authorization without using Form 8821, but it must include all the information that is requested on the form.

Form 8821 does not authorize your appointee to advocate your position with respect to the Federal tax laws; to execute waivers, consents, or closing agreements; or to otherwise represent you before the IRS. If you want to authorize an individual to represent you, use Form 2848, Power of Attorney and Declaration of Representative.

tee, executor, administrator, receiver, or guardian) stands in the position of a taxpayer and acts as the taxpayer. Therefore, a fiduciary does not act as an appointee and should not file Form 8821. If a fiduciary wishes to authorize an appointee to inspect and/or receive confidential tax information on behalf of the fiduciary, Form 8821 must be filed and signed by the fiduciary acting in the position of the taxpayer.

Taxpayer identification numbers (TINs). TINs are used to identify taxpayer information with corresponding tax returns. It is important that you furnish correct names, social security numbers (SSNs), individual taxpayer identification numbers (ITINs), or employer identification numbers (EINs) so that the IRS can respond to your request.

Partnership items. Sections 6221–6231 authorize a Tax Matters Partner to perform certain acts on behalf of an affected partnership. Rules governing the use of Form 8821 do not replace any provisions of these sections.

When to file. Form 8821 must be received by the IRS within 60 days of the date it was signed and dated by the taxpayer.

Where to file. Generally, mail or fax Form 8821 directly to the Centralized Authorization File (CAF) Unit at the service center where the related return was, or will be, filed. To find the service center address, see the related tax return instructions. To get the fax number, call **1-800-829-1040**.

If Form 8821 is for a specific tax matter, mail or fax it to the office handling that matter. For more information, see the instructions for line 4.

Specific Instructions

Line 1—Taxpayer information

Individuals. Enter your name, TIN, and your street address in the space provided. **Do not** enter your appointee's address or post office box. If a joint return is used, also enter your spouse's name and TIN. Also enter your EIN if applicable.

Corporations, partnerships, or associations. Enter the name, EIN, and business address.

Employee plan. Enter the plan name, EIN of the plan sponsor, three-digit plan number, and business address of the plan sponsor.

Trust. Enter the name, title, and address of the trustee, and the name and EIN of the trust.

Estate. Enter the name, title, and address of the decedent's executor/personal representative, and the name and identification number of the estate. The identification number for an estate includes both the EIN, if the estate has one, and the decedent's TIN.

Line 2—Appointee. Enter your appointee's full name. Use the identical full name on all submissions and correspondence. If you wish to name more than one appointee, indicate so on this line and attach a list to the form.

Note: Only the first three appointees you list will be input on the CAF.

Enter the nine-digit CAF number for each appointee. If an appointee has a CAF number for any previously filed Form 8821 or power of attorney (Form 2848), use that number. If a CAF number has not been assigned, enter "NONE," and the IRS will issue one directly to your appointee.

The CAF number is a number that the IRS assigns to appointees. The appointee's CAF number must be used on all future Forms 8821 or 2848. The IRS does not assign CAF numbers to requests for employee plans and exempt organizations.

Line 3—Tax matters. Enter the type of tax, the tax form number, the years or periods, and the specific tax matter. Enter "Not applicable," in any of the columns that do not apply.

In column (c), write the years using the YYYY format, for example, "2000." Do not use general references such as "all years," or "all periods." If you do, your application will be returned.

You may list any prior years or periods, but for future periods, you are limited to the 3 future periods that end no later than 3 years after the date Form 8821 is received by the IRS. For **employment tax** or **excise tax** returns, enter the applicable quarters of the tax year. For **estate tax** returns, enter the date of the decedent's death instead of the year or period.

In **column (d)**, enter any specific information you want the IRS to provide. Examples of column (d) information are: transcript of an account, a balance due amount, a specific tax schedule, or a tax liability.

For requests regarding a **foreign certification** shown on **Form 6166**, Certification of Filing A Tax Return, enter "Form 6166" in column (d) and check the box on line 4.

Line 4—Specific use not recorded on CAF. Generally, the IRS records all tax information authorizations on the CAF system. However, authorizations relating to a specific issue are not recorded.

Check the box on line 4 if Form 8821 is filed for any of the following reasons: (1) requests to disclose information to loan companies or educational institutions, (2) requests to disclose information to Federal or state agency investigators for background checks, (3) civil penalty issues, (4) trust fund recovery penalty,

(*)

Line 6—Retention/revocation of tax information authorizations. Check the box on this line and attach a copy of the tax information authorization you do not want to revoke.

To revoke an existing authorization, send a copy of the previously executed Form 8821 to the IRS office where it was filed. Write "REVOKE" across the top of the form and sign your name again under the existing signature (line 7). If you do not have a copy of the prior Form 8821, send a letter to the IRS office where you filed it. The letter must indicate that the authority of the tax information authorization is revoked and must be signed by the taxpayer. Include the name and address of each appointee whose authority is revoked.

Note: Filing Form 8821 does not revoke any Form 2848 that is in effect.

Line 7—Signature of taxpayer(s)

Individuals. You must sign and date the authorization. Either husband or wife must sign if Form 8821 applies to a joint return.

Corporations. Generally, Form 8821 can be signed by: (1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer, and (4) any other person authorized to access information under section 6103(e).

Partnerships. Generally, Form 8821 can be signed by any person who was a member of the partnership during any part of the tax period covered by Form 8821. See **Partnership items** above.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.
